

## Police/Community Training Initiative on Trauma-Informed Responses to Violence

Our mission is to train Newark Police officers and community leaders in tactics that helps both community and police break cycles of trauma and address the needs of survivors. Register now to:

- Learn about trauma symptoms, historical trauma and the cycle of violence,
- Support trauma survivors in our community,
- Break the cycle of violence.

Contributions from: NJ Association of Black Psychologists, Urban Renewal Corp, Newark Anti-Violence Coalition, Safer Newark Council and Violence Intervention & Prevention Specialists, Fierro Consulting, LLC
